Will Their Home Go Away? It's Up to You

The past 7 months have been just devastating for The Wildlife Sanctuary. Our beloved Wildlife Director died. Our mascot, Taz the Canadian lynx, died. And donations coming out of a terrible recession are off by over 75%. That means we can't survive if you don't help us - Right Now.

Over 1,000 people will receive this newsletter. Less than 30% will open it (thank you if you did). Less than 4% will click through to our web site to make a donation (bless you if you do). If all 1,000 donated \$25.00, we could pull out of our nosedive. So we now have to ask if you want to make a life-saving donation to Georgia's wildlife, and to the schoolchildren of tomorrow who will visit us to learn more about our animals and life-saving work.

We need you to donate right now. While many of us will go away for the 4th of July weekend, we will be starring into the eyes of the animals, wondering if we can save their home. They don't know that their end may be near, and our hearts ache for the creatures we have loved so much over the years. It's up to you now.

Please go to www.thewildlifesanctuary.com and make a generous donation right now. All we can do is ask, and thank you for your support.

Now you can support us by purchasing a T-shirt at our website! Profits go to help us rescue, raise and release wild animals, as well as educating young and old alike about the importance of our wildlife.

If you would like to submit a design for our consideration, please e-mail a hi-res .jpg image to us. If your design is selected, it will be shown on our Contributors page with your name as the designer!

All designs submitted to us become the property of The Wildlife Sanctuary. All profits from the sale of t-shirts showing your design become funds of The Wildlife Sanctuary - but you get the bragging rights for supporting our wildlife!!

Our Future Could Be Bright with You!!

The Wildlife Sanctuary is looking to upgrade all of its animal habitats, buildings, roads, pathways, signage and grounds. We need lots of supplies to do this.

You can help by e-mailing us if you have contacts who can provide lumber, marine plywood, gravel, sheetrock, wood molding, marine grade paint (for outdoor cages), road grading equipment, planting soil, flowers or bulbs, bags of cement or concrete, aluminum bleacher seating, 4"x4" square tubing - you name it. We'll also be putting a list of items we need online. Donate what you can, or forward the list to someone you know who might just have (and be willing to donate) something for a sanctuary project. We are also looking for a 30'x60' two-story metal building to assemble on our 40'x80' concrete pad.

You may e-mail us at wildlife@ellijay.com and let us know what you have in mind or on hand. All donations in kind are greatly appreciated.
